## Scenic hike or interstate?

Get directions for wherever you want to go, no matter how you want to get there. Let's drive to Moab!

### 1. Select Directions

### 2. Choose your mode

Car, bus, walk?

### 3. Enter a destination

### 4. Explore different routes

Select a route for details.

### 5. Make your choice

Maps will guide you every step of the way.

# Quick start: Maps app

# Windows 10

The roads are clear

Real-time traffic info is a click away.

Windows 10

See for yourself

Know where you're going before you even get there.

**What's it look like?**  
Select **Maps view** 

...and select a street on the map.

**No more guesswork**

Streetside shows you a 360-degree view. Drag to pan, and see which direction you're looking with the map below.

## Follow your own path

Draw or take notes on your maps.

**Mark where the treasure is buried**  
Then share the map with your friends...  
or don't....

### Draw your own route

In a park with no mapped roads, draw your own and we'll show you the distance you'll travel.
